Dear Ms. Walli:

**Re: Toronto Hydro-Electric System Limited ("Toronto Hydro")  
Custom Incentive Rate-setting ("Custom IR") Application for 2020-2024 Electricity Distribution  
Rates and Charges – Interrogatory Clarification (1B-AMPCO-4)  
OEB File No. EB-2018-0165**

---

On January 30, 2019, Toronto Hydro filed certain updates to its interrogatory responses. One of the updates related to the inadvertent filing of Appendix A to 1B-AMPCO-4, which Toronto Hydro had not intended to provide due to copyright restrictions. Toronto Hydro requested that this document be removed from the printed copies, and provided updated electronic versions with the interrogatory response updated and this document removed.

As part of Procedural Order 3 issued on February 5, 2019, the OEB requested that Toronto Hydro clarify what treatment it is seeking for the noted document. Toronto Hydro confirms that it does not intend to file the document, either publically or confidentially, due to copyright restrictions.

Please contact me directly if you have any questions or concerns.

Respectfully,

**Andrew J. Sasso**
