Dear Ms. Walli:

Re: Niagara-on-the-Lake Hydro Inc. - EB-2018-0056

We are counsel to Niagara-on-the-Lake Hydro (NOTL Hydro).

In Procedural Order No. 4, the Board set a schedule for written argument on the unsettled items in this proceeding. Under that schedule, NOTL Hydro is to file argument in chief by Tuesday, February 19th, OEB staff and intervenors are to file their submissions by Monday, February 25th, and NOTL Hydro is to file its reply submissions by Friday, March 1st.

We write to request that the date for NOTL Hydro's reply submissions be changed or extended to Friday, March 15th. NOTL Hydro's president will be out of the country from February 24th to March 8th, and it will be difficult for him to provide instructions and participate in the argument process during that time. If the OEB is able to grant this request, then NOTL Hydro would have no concerns with the deadline for the other items (especially the OEB staff and intervenor submissions) also being extended.

Thank you for your consideration.

Please contact me should you have any questions.

Yours truly,

AIRD & BERLIS LLP
