Good day,

I am writing this as you said we have a chance to voice our opinion on this said increase, and I don't think it should happen.

It is too much already for us to pay, especially those in a one income household to do.

I believe you the gas company is certainly not hurting for funds or going out of business since you are really a monopoly, so give us a break.

So I plead to your sense of fairness not to increase the The Enbridge Gas residential annual bill increase.

Thanks,
Debbie
