RE: EB-2018-0165 Toronto Hydro – 2020–2024 Rates –Tech. Conf. – FRPO Participation

We are writing on behalf of The Greater Toronto Apartment Association (“GTAA”) who represents the interests of the multi-family, purpose-built rental housing industry. Our members own and manage more than 150,000 units of multi-family, purpose-built rental housing in the GTA, with the vast majority in the City of Toronto.

We would like to thank the Board for providing the GTAA intervenor status. In response to the Board’s Procedural Order No. 2, we are writing to communicate our plan to participate in the upcoming Technical Conference. Our topics of inquiry would be follow-up questions to achieve better clarity on our submitted IR’s and questions intended to understand better the relative level of increase of the Competitive Sector Multi-unit Resident rates.

Respectfully submitted on behalf of the GTAA,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
