Decision and Order

NRG Kiosk LLC, DBA Power Kiosk (Power Kiosk) filed an agent only electricity retailer licence application under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) and an agent only gas marketer licence application under section 50 of the OEB Act on November 21, 2018. The granting of these licences would enable the applicant to provide energy procurement and broking services to consumers in Ontario.

The OEB combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act.

This Decision and Order is being issued by the Delegated Authority, without holding a hearing, pursuant to Section 6 of the OEB Act.

After considering the applications and assessing the technical capability and financial viability of the applicant, the OEB finds it to be in the public interest to issue an agent only electricity retailer licence and an agent only gas marketer licence to NRG Kiosk LLC, DBA Power Kiosk. The licences will have a term of two years. This term will give the applicant an opportunity to establish itself as reliable market participant in the Ontario gas marketing and electricity retailing sectors. The OEB will assess the applicant's experience in the marketplace should it choose to file for renewal of its licences in two years.

IT IS ORDERED THAT:

1. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an agent only gas marketer licence is granted, on such conditions as are contained in the attached licence
