Dear Ms. Walli:

Re: Goderich Hydro Merger with ERTH Corporation
OEB File EB-2018-0082 MADD Application
Decision and Order on Cost Awards
Board Error / Correction

Thank you for faxing the Board's February 19, 2019 'Decision and Order on Cost Awards EB-2018-0082' which I received today.

Having reviewed the Decision I note that on page 3 there is a material error in the 1st sentence of the 1st paragraph. The first sentence reads as follows:

Mr. Garland has requested a total cost award of almost \$38,000 in fees, plus \$40.50 in disbursements (inclusive of HST). [error underlined]

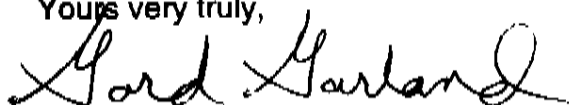

I believe an independent review of my Cost Claims and Dockets will confirm \$29,890 in fees plus \$3,885.70 in HST (p. 3 of 5 'Cost Claim for Hearings' + Dockets). In the alternative please show me how I have claimed "a total cost award of almost \$38,000 in fees."

If I am correct, the correction to the above referenced sentence would be "almost \$30,000 in fees".

To put it bluntly, I do not want to be accused of overstating my just claim due to a Board error, and am therefor formally requesting that the Board amend its 'Decision and Order on Cost Awards EB-2018-0082'. I do, however, thank you for the honorarium of \$500, which works out to \$5 per hour or one-third of Ontario's minimum wage. The Board may want to reconsider that as well.

Thank you for your attention to these matters. Should you have questions please do not hesitate to contact me and please forward a copy of this letter to Mr. Bishop.

Yours very truly,

Gord Garland / and
