Dear Ms. DeMarco:

Re: Enbridge Gas Distribution Inc. - 2007 Test Year Rate Application
Board File No. EB-2006-0034
Notice of Intervention of Coral Energy Canada Inc.(Coral)

The Board confirms Coral Energy Canada Inc. (Coral) as an intervenor in the above noted proceeding, subject to Enbridge Gas Distribution Inc.'s right of reply to your request within 10 days of the mailing of this letter.

In your notice of intervention, you stated that though you were not seeking cost eligibility at this time, you reserved the right to seek costs if circumstances arise as the proceeding develops. The Board's Practice Direction on Cost Awards requires that all parties that seek eligibility for costs must set out the reasons it believes it should be eligible for costs in their notice of intervention. Although the Board has the ability to waive or alter this requirement in extraordinary circumstances, please be advised that it is unlikely that you will be granted costs eligibility at a later date. The Board will, of course, fully consider any requests you may make at a future date and will allow the Applicant an opportunity to respond prior to making a final decision.

Yours truly,
