Dear Applicants:

**Re: Licence Amendment, Licence Transfer, Cancellation and
Transfer of Rate Order
OEB File Number: EB-2018-0014**

On October 18, 2018, the OEB issued a Decision and Order approving the amalgamation of Alectra Utilities Corporation (Alectra) and Guelph Hydro Electric Systems Inc. (Guelph Hydro). In its decision, the OEB stated that upon receiving notification of the completion of the transaction, the OEB would:

- a) Amend the electricity distribution licence of Alectra to include the service area formerly served by Guelph Hydro and Guelph Hydro's CDM targets;
- b) Cancel the electricity distribution licence of Guelph Hydro;
- c) Transfer the Guelph Hydro's electricity generation licence EG-2004-0438 to Alectra; and
- d) Transfer the rate order of Guelph Hydro to Alectra.

On January 8, 2019, Alectra notified the OEB that the amalgamation transaction was completed on December 31, 2018.

Pursuant to the decision, the rate order of Guelph Hydro dated December 13, 2018 is transferred to Alectra.

Please find enclosed the amended licence (ED-2016-0360) for Alectra, and the amended electricity generation licence EG-2004-0438, effective February 22, 2019.

The electricity distribution licence of Guelph Hydro (ED-2002-0565) is cancelled, effective February 22, 2019.

Yours truly,
