Attention: Kirsten Walli,  
Board Secretary

Dear Ms. Walli:

**Re: EB-2019-0002: IESO, 2019 Expenditure, Revenue Requirement, and Fees Submission**

The Building Owners and Managers Association, Greater Toronto ("BOMA") seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and throughout the province. BOMA's members are large consumers of electricity in Ontario.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property owners in the Greater Toronto Area and throughout Ontario. BOMA has worked with IESO on a number of issues, as BOMA's members are impacted by IESO decisions, rules, and initiatives.

BOMA has been a constructive participant in numerous previous cases, including previous IESO fees submissions. As a representative of a large sector of energy consumers in Ontario, the commercial and industrial building owners and generators, BOMA seeks a cost award in this

proceeding. BOMA requests that further communications with respect to this matter be sent to the following parties:
