Ms. Kirsten Walli
Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: EB-2018-0087 Chapleau PUC 2019 Cost of Service Rates
Request for extension to file interrogatories – addition of consultant to contact list.**

Procedural Order No.1 in the above noted proceeding sets out March 4, 2018 for the filing of intervenor interrogatories. Also in accordance with that Order Board staff filed its interrogatories on February 28th. Staff has put forward 100 interrogatories. We are reviewing those questions so as to try and reduce duplication and the burden of response by this Utility.

Also due to our error we omitted the contact for one of VECC's consultants. We would ask that the Board and Chapleau PUC add to their distribution list the following:

Bill Harper
107 Baker Ave
Richmond Hill, Ontario
L4C 1X5
bharper.consultant@bell.net

Due to these factors we are seeking a short extension to filing interrogatories. We expect to be able to file our questions by (or before) end of day March 6, 2019. VECC is not seeking any change in the procedural order as we are able to accommodate within the current schedule a similar delay in the response to our questions.

Yours truly,
Mark Garner
