Dear Mr. Garner:

Re: Chapleau Public Utilities Corporation (Chapleau Public Utilities)
Application for rates
Ontario Energy Board File Number: EB-2018-0087

In Procedural Order No. 1, the Ontario Energy Board (OEB) established the deadline for filing interrogatories by Vulnerable Energy Consumers Coalition (VECC) as March 4, 2019. The OEB is in receipt of a request from VECC for an extension to the date for filing interrogatories to March 6, 2019.

VECC's request for an extension is granted. VECC shall file its interrogatories by March 6, 2019. The OEB also extends the filing date of interrogatory responses by Chapleau Public Utilities to March 25, 2019 with respect to VECC's interrogatories only. Chapleau Public Utilities' response to OEB staff interrogatories by March 21, 2019 remains unchanged. Please be advised that changes to the case schedule could affect the timing of the OEB's decision in the application.

The dates for all other procedural steps in Procedural Order No. 1 remain unchanged.

VECC also indicated that in its intervention request filed with the OEB it had omitted the contact for one of VECC's consultants. The OEB approves the addition of the following VECC consultant to this proceeding:

Bill Harper
