To: All Parties: Hydro One Networks Inc. Application for Electricity Distribution Rates 2018 to 2022 EB-2017-0049 and Reconsideration of Future Tax Savings Issue EB-2018-0269

Re: Confidential Advance Review of the Decisions

The Ontario Energy Board (OEB) expects to release its decisions on both the Hydro One Networks Inc. Application for Electricity Distribution Rates 2018 to 2022 and Reconsideration of Future Tax Savings Issue on Thursday March 7, 2019 at approximately 4:00 p.m. Should parties wish an advance review of either or both of these decisions, the OEB will make copies available for confidential review by parties in a lock-up prior to its public release.

The lock-up will commence at 2:00 p.m. at the OEB's offices on March 7, 2019. If you do not require the full two hours to review the decisions, you may arrive after 2 p.m. All individuals participating in the lock-up will be required to remain in their assigned room until the decisions are released publicly. The use of cellular phones or other external communication devices will not be permitted during the lock-up.

Any parties wishing to participate in the lock-up must send an e-mail to BoardSec@oeb.ca by **12:00 pm** on Thursday March 7, 2019. Please include the names of the individuals who will attend, the party they represent and the expected time of your arrival.

Participants must arrive at the Board's reception area on the 27th floor, 2300 Yonge Street, Toronto, Ontario fifteen minutes prior to entering the lock-up March 7, 2019. All participants will be required to sign in upon entrance to the room.

Yours truly,
