EMBRIDGE GAS PROPOSED INCREASE – CARBON TAX

This Embridge Gas increase request, if approved, shall make it much more difficult for Seniors, who are now struggling to stay in their homes due to all the increases we are faced with.

Embridge Gas is a wealthy company and it is my belief that a \$93.93 increase is far too much as an annual increase.

Your consideration in bringing this increase to a more reasonable amount will be greatly appreciated.

I would appreciate hearing the outcome of your decision.

Yours sincerely,

Janet Mahoney-Rose
