Announcement of organizational change

On March 9, 2019, Alexis Ethier, President of Manifold Energy Inc., had to resign from its role of President of Manifold Energy Inc. due to personal reason. I, Marc-Antoine Denommée, will now be Manifold Energy's President.

Both remaining officers (myself and Mathieu Duchesneau) will be sole owners (50-50) of Manifold Energy Inc.

Except for the above change, nothing will change as to Manifold Energy Inc.'s operations.

If you have any question, please do not hesitate to contact me

Sincerely yours,

Marc-Antoine Denommée March 12, 2019
