Attn: Board Secretary

Dear Ms. Walli:

I am interested in becoming an Intervenor in order to participate in the above-noted proceeding. I am a resident of North Bay and a customer of the North Bay Hydro Distribution Ltd. (NBHDL). As such, I have an interest in the electricity rate and delivery charges applied by NBHDL.

I am requesting Intervenor status in order to ensure that my interests as a consumer of electricity resulting from this proposed amalgamation are being protected.

I am interested in submitting enquiries to the Applicant concerning this application and receiving documents filed and submissions made by the parties in this matter.

I agree with the Applicant's proposal to deal with the application by way of a written proceeding with the provision for an oral component if required.

I will be requesting an award for reasonable disbursements, such as photocopying, transcript costs, travel and accommodation, directly related to my participation in the process in accordance with the Board's Tariff.
