Dear Ms. Wong:

RE: Regional Planning & Cost Responsibility Review
Board File #: EB-2016-0003

Thank you for your email received on March 14, 2019 regarding our Cost Claim in the above-noted matter.

We have revised the Cost Claim to move 16.4 hours from activity 1 to activity 2. We realize this exceeds the allotted time for activity 2, however, our client consists of a diverse number of Chambers of Commerce over a large geographical area which required more time to foreplate, and we respectfully request that you consider allowing a larger time allotment for them.

We enclose a revised Statement of Fees Being Claimed to reflect this.

Should you have any questions or require further information, please do not hesitate to contact us.

Yours very truly,

WEILER, MALONEY, NELSON
