Re: Consultation Sufficiency Opinion for Stratford Pipeline Project

Dear Zora Crnojacki,

The Ontario Ministry of the Energy, Northern Development and Mines has completed its review of Union Gas' Indigenous consultation report for the Stratford Pipeline project. This letter is to notify you that based on the information provided and through contacting the communities directly, the Ministry is of the opinion that the procedural aspects of consultation undertaken by Union Gas to date for the purposes of the Ontario Energy Board's Leave to Construct for the Stratford Pipeline project is satisfactory.

If you have any questions about this letter or require any additional information, please contact Emma Sharkey at 416-529-8953 or emma.sharkey@ontario.ca.

It is expected that Union Gas will continue its consultation activities with the communities throughout the life of the project, and that Union Gas will notify the Ministry should any additional rights-based concerns/issues arise.

Sincerely,
