Dear Ms. Walli:

**Re: Amalgamation of Veridian Connections Inc. and Whitby Hydro Electric Corporation  
OEB Decision and Order, December 20, 2018, (EB-2018-0236)  
Notice to the OEB of the Amalgamations  
Request for Issuance of a New Distribution Licence**

---

By the above noted Decision and Order ("**Decision**") the Ontario Energy Board ("**OEB**") granted leave for the amalgamation of Veridian Corporation ("**Veridian Holdco**"), the holding company of Veridian Connections Inc. ("**Veridian LDC**") and Whitby Hydro Energy Corporation ("**Whitby Holdco**"), the holding company of Whitby Hydro Electric Corporation ("**Whitby LDC**"). The Decision also granted leave for the amalgamation of Veridian LDC and Whitby LDC.

The Decision specifically requires that the OEB be given notice of the amalgamations identified above and that once notice is given, the OEB will transfer the rate orders of Veridian LDC and Whitby LDC to LDC Mergeco and issue a new Electricity Distribution Licence to it.

In accordance with the Decision, notice is hereby provided to the OEB that effective today:

- (a) Veridian Holdco has amalgamated with Whitby Holdco and will continue as Elexicon Corporation; and
- (b) Veridian LDC has amalgamated with Whitby LDC and will continue as Elexicon Energy Inc.

In accordance with the Decision, Elexicon Energy Inc. requests that the OEB transfer the rate orders of Veridian LDC and Whitby LDC to Elexicon Energy Inc.

It is further requested that the OEB issue a new Electricity Distribution Licence to Elexicon Energy Inc. which includes the service areas formally served by Veridian LDC and Whitby LDC.

To facilitate the issuance of a new Distribution Licence to Elexicon Energy Inc., we attach copies of the necessary amendments to the LDC Licence Application which was filed with the MAADs Application which was approved by the Board in its Decision. These amendments reflect only administrative matters which arise by reason of the merger and include name

changes to various entities, the current key contact and addresses. It is hoped that by providing this information it will assist the Board in the issuance of new Distribution Licence to Elexicon Energy Inc. Only those sections of the LDC Application that were filed with the MAADs application that require amendment are being provided.

As can be seen from the attached information, Mr. Norm Fraser has been named the Interim President and CEO of Elexicon Energy Inc. It is anticipated that Mr. Fraser will continue as the Interim President and CEO until Ms. Lesley Gallinger, who has been appointed President and CEO, assumes the position in or around May, 2019. It is understood that the balance of the Officers and Directors of Elexicon Energy Inc. will be finalized shortly. Elexicon Energy Inc. will provide the Board with any necessary notice of these changes as they occur.

Upon the issuance of this new licence, the Electricity Distribution Licences issued to Veridian LDC (ED-2002-0503) and Whitby LDC (ED-2003-0571) may be cancelled.

Yours truly,

AIRD & BERLIS LLP
