Dear Mr. Nolan:

Re: Alectra Utilities' Regulated Price Plan Pilot (Board File No. EB-2016-0201)

I am writing to advise that the Ontario Energy Board (OEB) has accepted Alectra Utilities' (Alectra) Interim Results Report for its Regulated Price Plan pilot project, as submitted to the OEB on March 29 2019. Further detail regarding the process and expectations associated with the OEB's review of Interim and Final Results Reports is set out in the OEB's November 14, 2018 letter. As set out in that letter, Alectra's Interim Results Report has been made public.

A letter will be sent to the Independent Electricity System Operator (IESO) requesting that it settle payment with Alectra for the contribution amount associated with the Interim Results Report, which corresponds to Milestone 1 in Schedule B of the Contribution Agreement between the IESO and Alectra.

Sincerely,
