Dear Ms. Walli:

Re: EB-2018-0316 – IESO/Smart Metering Entity – Application for Approval to Provide Access to Data to Third Parties at Market Prices

We are representing the Consumers Council of Canada (“Council”) in the above-referenced proceeding. In its Procedural Order No. 1, dated January 25, 2019, the Ontario Energy Board (“OEB”) established a number of relevant dates for this proceeding. Pursuant to that Procedural Order we are informing the OEB that we support a written hearing process. In making our final submissions the Council does not require further evidence from the Applicant.

Yours truly,

Julie E. Girvan
