Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
Toronto, ON

Dear Ms. Walli:

**Re: EB-2018-0316 Smart Metering Entity - Fees for access to data by third parties  
VECC submissions on non-settled issues**

---

As stated in the letter of the IESO of March 28, 2019 the parties were not able to reach a settlement on any of the issues with respect to this proceeding. In accordance with Procedural Order No. 1 VECC is informing the Board that it is not seeking further discovery or an oral hearing of the matter.

In our view all the issues set out in the Board's approved Issues List (February 21, 2019) may be adequately addressed by way of written argument.

Due to conflicting requirements we would ask that the Board allow a period of at least 15 business days to prepare our submissions.

Yours truly,

*John Lawford*
