Dear Ms. Walli:

**Re: Smart Metering Entity
Fees for Access to Data by Third Parties
Ontario Energy Board File No.: EB-2018-0316**

In reference to the above application, and in accordance with Procedural Order No. 1, where a settlement proposal did not arise from the Settlement Conference, parties were directed to submit which issues could be heard in writing, and for which issues the OEB should hold an oral hearing.

The Independent Electricity System Operator, designated as the Smart Metering Entity, views the record as sufficient and submits that the proceeding move to written argument on all issues.

Yours truly,

Devon Huber
Senior Manager, Regulatory Affairs
