Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

RE: EB-2018-0263, Municipality of Brockton_IntrvREQ_20190412
Municipality of Brockton submits intervention request letter

The Corporation of the Municipality of Brockton ("Brockton") is hereby applying to become an Intervenor in Application Number EB-2018-0263 – Leave to Construct – Southern Bruce Project by EPCOR Natural Gas Limited Partnership ("EPCOR"), as lands within the jurisdiction of Brockton will be directly impacted.

Brockton would like to participate as an Intervenor by filing written submissions in support of Application Number EB-2018-0263 made by EPCOR as a party in the written hearing.

Brockton will be directly impacted by the Southern Bruce Project as lands within the distribution system and works will pass through Brockton. The above referenced Application is also of interest to the residents and ratepayers of Brockton, including Brockton's agricultural sector, as any future provision of natural gas within Brockton is dependent on the construction of the distribution system being proposed by EPCOR.

Brockton does not intend to seek an award of costs given s. 3.05(i) of the Practice Direction on Cost Awards of the Ontario Energy Board stipulating that a municipality in Ontario is ineligible for an award of costs.

Sincerely,

Fiona Hamilton, Clerk
