**Attention: Kirsten Walli, Board Secretary**

Dear Ms. Walli:

Re: **Enbridge Gas Distribution Inc. - Open Bill Access Services**  
**Ontario Energy Board File No. EB-2018-03-19**  
**Request for Intervention by Reliance Comfort Limited Partnership**  
**Diary Date: April 30, 2019**

---

We are counsel to and represent Reliance Comfort Limited Partnership ("Reliance").

On our client's behalf, we hereby request intervenor status in the above-referenced proceeding.

Reliance is a direct participant in the Open Bill Access Program. Under the brand name *Reliance Home Comfort*, Reliance provides significant energy solutions across Ontario, including with respect to water heaters, furnaces, air conditioners, HVAC, protection plans, water treatment options, plumbing services, and other rental products and related services. This proceeding will, therefore, have a direct impact on our client.

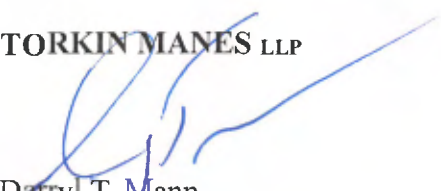

Reliance does not intend to seek costs for participating in this proceeding.

Kindly send any further communication with respect to this matter to the undersigned.

We thank the Board for the opportunity to participate in this proceeding.

Yours very truly,

**TORKIN MANES LLP**
