Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
27th Floor 2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Independent Electricity System Operator ("IESO")
2019 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No.: EB-2019-0002**

The Independent Electricity System Operator ("IESO") is writing to file interrogatory responses ("IRRs") in accordance with the Ontario Energy Board's ("OEB") Procedural Order No. 1 dated March 12, 2019, and Decision on Issues List dated March 28, 2019.

The IESO notes that some interrogatories have raised issues which the IESO believes to be beyond the scope of this proceeding. The IESO has, in these cases, provided responses in an effort to be of assistance to the parties. The fact that the IESO has provided an answer to these interrogatories should not be taken as any indication that the IESO considers these areas of enquiry to be appropriate for the revenue requirement proceeding.

The IESO has included an updated exhibit list with its filing. The IRRs have been organized and filed by issue according to the OEB's Decision on Issues List. The updated exhibit list and the chart below help to illustrate this. For example for each IRR, Exhibit I represents Interrogatories, the Tab represents the issue, and the Schedules represent the intervenor and their respective interrogatory number (i.e., Exhibit I, Tab 6.2, Schedule 11.05 APPrO 5 represents the IESO's response to APPrO's Interrogatory 5, which is assigned Issue 6.2).

Schedule numbers have been given to intervenors as follows:

Intervenor	Schedule #
OEB Staff	Schedule 1
BOMA	Schedule 2
VECC	Schedule 3
ENERGY PROBE	Schedule 4
OSEA	Schedule 5
HQEM	Schedule 6
PWU	Schedule 7

CME	Schedule 8
SUP (SOCIETY)	Schedule 9
SEC	Schedule 10
APPrO	Schedule 11
EDA	Schedule 12
AMPCO	Schedule 13

Yours truly,

Devon Huber
Senior Manager, Regulatory Affairs
