Re: Peterborough Distribution Inc. ED-2002-0504  
EB-2015-0304 Energy Retailer Services Charges

Dear Ms. Walli:

Further to the Report of the Ontario Energy Board dated November 29, 2018, with respect to the implementation of Energy Retailer Service Charges, please be advised that Peterborough Distribution Inc. has elected to opt out of applying the \$2 notice of switch charge to our electricity energy retailers as the cost to implement this charge would offset any benefit.

Kind Regards,
