Dear Ms. Deanne Kulchyski:

**Re: Sioux Lookout Hydro Inc.
Application for 2019 Distribution Rates
OEB File Number EB-2018-0066**

The Ontario Energy Board (OEB) issued a Decision and Rate Order in the above-noted proceeding on March 28, 2019. The OEB notes that the Tarrif of Rates and Charges appended to that Decision and Order (Schedule A) contains a typographical error in the Transformer Ownership Allowance (TOA) rate.

Pursuant to section 41.02 of the OEB's *Rules of Practice and Procedure*, the OEB will correct this typographical error. The correction can be found on page six of the Tariff of Rates and Charges. The TOA rate now reads:

Transformer Allowance for Ownership - per kW of billing demand/month \$/kWh (0.3741)

Instead of:

Transformer Allowance for Ownership - per kW of billing demand/month \$/kWh (0.37)

The OEB hereby issues a revised Decision and Rate Order which includes a revised Tariff of Rates and Charges and updated Rate Generator Model to reflect the correction of the error.

Yours truly,
