Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
PO Box 2319  
2300 Yonge Street, 27th floor  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: OEB File No. EB-2018-0165 Toronto Hydro-Electric System Limited (“Toronto Hydro”)  
Custom Incentive Rate-setting (“Custom IR”) Application for 2020-2024 Electricity Distribution  
Rates and Charges – Intention to File Reply Report to PEG Evidence**

---

Toronto Hydro’s Application filed on August 15, 2018 included a report by Power System Engineering Inc. (“PSE”) with respect to productivity benchmarking. The OEB retained Pacific Economics Group Research LLC (“PEG”) to review that evidence.

On March 20, 2019, OEB Staff filed a report prepared by PEG entitled “IRM Design for Toronto Hydro-Electric System Limited” (“PEG Evidence”). On April 24, 2019, OEB Staff submitted responses to interrogatories filed with respect to the PEG Evidence.

By May 31, 2019, Toronto Hydro intends to file a supplemental report by PSE in reply to the PEG Evidence. Toronto Hydro will serve copies on all parties.

Please contact me directly if you have any questions or concerns.

Respectfully,

A handwritten signature in blue ink that reads "Andrew J. Sasso".
