Dear Mr. Belsito:

**Re: PUC Distribution Inc. (PUC Distribution)
Application for Rates
Ontario Energy Board File Number: EB-2018-0219**

In Procedural Order No. 1, the Ontario Energy Board (OEB) established the deadline for the filing of interrogatory responses as May 17, 2019. The OEB is in receipt of a request from counsel to PUC Distribution to bifurcate its interrogatory responses in a manner consistent with the OEB's Procedural Order No. 2 to separate the mechanistic incentive rate-setting mechanism (IRM) portion of the application from the incremental capital module (ICM) proposal.

PUC Distribution notes that it will be in position to respond to all questions relating to the IRM portion by May 17, 2019 as per Procedural Order No. 1. In relation to the ICM portion, PUC Distribution requests an extension to file its responses to May 31, 2019.

The request for an extension is granted. PUC Distribution shall file its responses to interrogatories on the IRM portion by May 17, 2019, and on the ICM portion by May 31, 2019.

Yours truly,
