Dear Ms. Walli:

**Re: Toronto Hydro Electric System Limited (Toronto Hydro)  
2020-2024 Electricity Distribution Custom IR Rate Application  
OEB Staff Responses to Interrogatories regarding the Expert Evidence of  
Pacific Economics Group Research LLC – Response to SEC-13  
Ontario Energy Board File Number: EB-2018-0165**

OEB staff filed a report prepared by Pacific Economics Group Research LLC (PEG) entitled “IRM Design for Toronto Hydro-Electric System” (PEG Report) on March 20, 2019. The PEG Report was filed as Exhibit M1 in the current proceeding. On April 24, 2019, OEB staff filed the responses of PEG to the interrogatories filed by other parties on the PEG Report. OEB staff noted that the response to one interrogatory from the School Energy Coalition (SEC) was not provided as PEG was doing further analysis. This interrogatory was Exhibit L1/Tab 3/Schedule 13 (SEC-13).

Please find attached the response to SEC-13. This response required additional work by PEG, and OEB staff apologizes for the delay in filing.

Yours truly,
