Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: Board File No. – EB-2015-0304

Further to the above decision and order dated February 14, 2019 whereby, amongst other things, electricity and natural gas distributors have the choice to opt out of applying the notice of switch charge (\$2.00) to energy retailer if the costs of doing so outweighs the benefits, please be advised that Essex Powerlines Corporation is in fact opting out of applying the aforementioned charge.

The within correspondence is being sent based on our calculation of having sixty (60) working days after the issuance of the subject matter decision and order to notify the OEB of our intentions.

Yours very truly,
