RE: EB-2018-0165 Toronto Hydro – 2020–2024 Rates – GTAA IR's – Application Update

We are writing on behalf of The Greater Toronto Apartment Association (“GTAA”). We have reviewed the application update focusing on our areas of interest and concern. While Toronto Hydro has updated its position on Customer Driven Work, we are satisfied that Board Staff interrogatories mirror the questions that we would have asked.

As such, we are writing to inform the Board and parties that we do not have additional interrogatories on the application update.

Respectfully submitted on behalf of the GTAA,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
