ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15 (Sched. B), as amended (the "OEB Act");

AND IN THE MATTER OF an application by Imperial Oil Limited under section 90(1) of the OEB Act for an order or orders granting leave to construct a replacement pipeline from Imperial's Waterdown Pump Station to Imperial's Finch Terminal Storage facility

AFFIDAVIT OF SERVICE AND PUBLICATION

I, **Curtis Campbell**, of the City of **Calgary**, make oath and say as follows:

1. I am in the employ of ERM Consultants Canada, Ltd. ("ERM") and as such have knowledge of the matters hereinafter deposed to except where indicated to be on information and belief, and where so stated I verily believe them to be true.
2. Pursuant to the April 11, 2019 Letter of Direction from the Ontario Energy Board (the "Board"), I caused the attempted service of, on a reasonable efforts basis by courier and/or registered mail, a copy of the Notice of Application (Exhibit "A") and Imperial's application (Exhibit "B") upon all affected property owners and encumbrancers with lands or interest in lands as shown by the Affidavit of Search of Title dated April 25, 2019 (Exhibit "C") with two exceptions where no address was present on the registered instrument. A number of packages were returned as undeliverable. As a result, I caused these packages to be re-sent, by courier, to those persons with possession of the affected lands – i.e., landowners and tenants. The results of the attempted re-deliveries are set out in Exhibit "E". As Imperial's information on the addresses of encumbrancers is solely limited to the results of the Search of Title (Exhibit "C"), Imperial was not able to cause re-attempted service to an alternate address. Proof of the undeliverable packages is contained in Exhibits "D" and "E". Through correspondence with the Registrar's Office of the Board, it was confirmed that Imperial's evidence needed to be served, in hardcopy form and USB, on six property owners/encumbrancers – [REDACTED] – as well as to the Métis Nations of Ontario. All other parties mentioned in my affidavit have been directed to access Imperial's evidence via the website address provided on the compliments slip included in the mailed package (Exhibit "F"). Due to the volume of the exhibits contained therein, Imperial's evidence has not been provided as an attachment to my Affidavit.
3. Pursuant to the Letter of Direction, I caused to be served by registered mail a copy of the Notice of Application and Imperial's application on the Clerks of the City of Hamilton, the City of Burlington, the Town of Milton, the Town of Oakville, the City of Mississauga, the City of Toronto, the Regional Municipality of Halton and the Regional Municipality of Peel.
4. Pursuant to the Letter of Direction, I caused to be served by courier or registered mail a copy of the Notice of Application and Imperial's application on all Indigenous communities that were consulted or with lands or interest in the lands directly affected by the proposed pipeline and related facilities.
5. Pursuant to the Letter of Direction, I caused to be served by courier a copy of the Notice of Application and Imperial's application and evidence on the Métis Nations of Ontario.
6. Pursuant to the Letter of Direction, I caused to be served by courier or registered mail a copy of the Notice of Application and Imperial's application on all affected utilities and railway companies, and members of the Ontario Pipeline Coordinating Committee.

7. Pursuant to the Letter of Direction, attached to my affidavit is proof, in the form of Canada Post bulk receipts, list of parties with associated tracking numbers and delivery details (Exhibit "D"), that the Notice of Application and Imperial's application and evidence, where applicable, were served, or attempted to be served, on those parties as directed by the Letter of Direction. Due to the number of recipients, Canada Post was unable to provide registered receipts. Personal information has been redacted.
8. Pursuant to the Letter of Direction, attached to my affidavit is proof, in the form of confirmation sheets and online delivery status updates (Exhibit "E") from Purolator, FedEx, ARC Canada and Dasco Emergency Couriers that the Notice of Application and Imperial's application and evidence, where applicable, were served, or attempted to be served, on those parties that could not be served in time by registered mail. Personal information has been redacted from the confirmation sheets.
9. Pursuant to the Letter of Direction, I have been informed by Joel Wiens of Imperial that a copy of the Notice of Application, in both English in French, and Imperial's application and evidence have been placed in a prominent place on Imperial's website (Exhibit "G") and same have been made available for public review at Imperial's Finch Terminal and Calgary head office.

SWORN BEFORE ME at the City of Calgary,
Alberta, this 23 day of May, 2019.

Province of Alberta)

3. APPLICATION AND APPROVALS REQUESTED

Ontario Energy Board

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Sched. B), as amended (the “OEB Act”);

AND IN THE MATTER OF an application by Imperial Oil Limited under section 90(1) of the OEB Act for an order granting Leave to Construct of a hydrocarbon distribution pipeline and ancillary facilities to serve the Greater Toronto and Hamilton Area;

LEAVE TO CONSTRUCT

APPLICATION: WATERDOWN TO FINCH PROJECT

1. The Applicant, Imperial Oil Limited (“Imperial”) is a body corporate duly formed pursuant to the laws of Canada having an office in the City of Calgary. Imperial is an integrated energy company that explores for, produces, refines and markets products essential to society. At every link in the energy chain, Imperial seeks to advance innovation and technology to deliver energy Canadians need – with a commitment to high standards. Imperial was founded in Ontario in 1880 and, after more than a century, Imperial continues to be part of the community and economy.
2. Operating safely for many decades, Imperial’s Sarnia Products Pipeline (“SPPL”) is important infrastructure that provides refined products used by households and businesses across the Greater Toronto and Hamilton Area. To support continued safe, reliable, and environmentally responsible transportation of products, Imperial is planning to construct and operate a new pipeline that will replace the transportation capabilities of the existing SPPL.
3. Imperial hereby applies (“Application”) to the Ontario Energy Board (“OEB”), pursuant to section 90(1) of the OEB Act for Leave to Construct (“LTC”) the Waterdown to Finch Project (the “Project”). The Project involves the proposed installation of approximately 63-kilometres of 12-inch diameter pipeline and associated infrastructure between Imperial’s pump station in rural Hamilton (Waterdown Pump Station) and its terminal storage facility in Toronto’s North York area (Finch Storage Terminal). To accommodate reliable supply of products throughout this process, the Project involves the construction of the new pipeline while the existing pipeline continues to operate. Once the new pipeline is successfully installed, the existing line will be safely deactivated and the new pipeline will operate in its place.
4. The new pipeline will be constructed following the existing SPPL as closely as possible, in consideration of environmental and social constraints, and other infrastructure and land uses in the area. The existing pipeline is located within an Imperial right-of-way (“ROW”) for approximately 18.8 km, and within a ROW managed by Hydro One Networks Inc. (“HONI”) for approximately 43.7 km. New easements will be required on a limited number of private lands and Imperial will work directly with the affected landowners to obtain these agreements. New easements will also be required within the HONI ROW, and Imperial is working with HONI and Infrastructure Ontario to secure the necessary agreements. Pipelines owned by other operators inside the ROW will continue to operate without disruption as crossing agreements and safety buffers will be put in-place.
5. Pending LTC approval receipt of permits and agreements, Project construction is planned from December 2019 to November 2020. The purpose, need, description of the Project and project timing are included in Exhibit C, Tab 1, Schedule 1. An overview map showing the proposed route is included in Exhibit C, Tab 1, Schedule 2 filed with this Application.

6. Imperial has planned the Project pursuant to the OEB's *Environmental Guidelines for the Location, Construction, and Operation of Hydrocarbon Pipelines and Facilities in Ontario*, 7th Edition (2016) ("Environmental Guidelines"). The Environmental Report ("ER") is a component of the LTC application to the OEB and has been prepared to satisfy the OEB's Environmental Guidelines. The primary objective of the ER is to describe the actions taken to date to confirm the location, or route, for the pipeline and the related construction methods and activities, considering the physical, environmental, socio-economic, archaeological, and cultural heritage (i.e. the environmental and socio-economic) conditions and to minimize or mitigate potential risks.
7. The route evaluation and decision are supported by desktop studies, existing survey information, environmental, and socio-economic field surveys, consultation with regulators and other stakeholders, and constructability design review. Because the Project will be sited within an existing Imperial easement from kilometre post ("KP") 0 to KP 18.8, an alternative route was considered only within the urban area from KP 18.8 to KP 62.5. This alternative route underwent detailed review, but was deemed not feasible because in comparison to the proposed Project route, it was significantly longer, and crossed nearly twice as many watercourses and three times as many wetlands and impacted more infrastructure and current land uses. It was determined that the proposed pipeline route is the only reasonable option, particularly within the urban landscape, because it benefits from following the existing utility corridors. The ER and routing evaluation is included in Exhibit D, Tab 1, Schedules 1 and 2, as evidence to this Application.
8. Imperial recognizes the importance of engagement, which is an integral part of the Project's planning and supports the public interest consideration of the OEB's regulatory process. Imperial identified and engaged a broad range of interested parties – stakeholders, government regulatory agencies, landowners and Indigenous communities – with a potential interest in the Project. Exhibit A, Tab 2, Schedules 3 and 4 provides the list of Ontario Pipeline Coordinating Committee ("OPCC") members and the list of interested parties, respectively. Exhibit D, ER, Section 3 explains the engagement plan implemented for the Project, the engagement activities carried out, comments received, and responses provided by Imperial. Exhibit H, Record of Consultation and supporting documents, includes a record of the consultation log and detailed supporting documents such as related correspondence and meeting minutes.
9. With respect to Indigenous consultation, the Ministry of Energy, Northern Development and Mines ("MENDM") - Indigenous Energy Policy provided the Crown's direction on the duty to consult. MENDM provided a letter dated Sept. 10, 2018 delegating the procedural aspects of the Crown's duty to consult to Imperial ("Delegation Letter"), and included a list of Indigenous communities that should be consulted about the Project, as follows:
 - Huron-Wendat Nation;
 - Mississaugas of the Credit First Nation ("MCFN"); and
 - Six Nations of the Grand River;
 - the MENDM's Delegation Letter noted that Imperial is required to consult with both Six Nations Elected Council; and
 - Haudenosaunee Confederacy Chiefs Council ("HCCC"), and all correspondence with the HCCC should copy the Haudenosaunee Development Institute ("HDI").
10. In addition, while Métis Nation of Ontario ("MNO") was not listed in the Delegation Letter, Imperial identified MNO as an Indigenous community to be informed of the Project for engagement and provided notification to MNO. Imperial has followed the guidance of the MENDM and has prepared an Indigenous Consultation Report to document the consultation activities with communities. The

correspondence letters related to the MENDM's direction on the duty to consult and Imperial's submission of the Indigenous Consultation Report are included in Exhibit G as evidence to this Application.

11. Exhibit E includes details on project design specifications, construction methodologies, pressure testing procedures and key milestones.
12. Exhibit F includes a summary of land matters, negotiations to-date and a description of land related permits and agreements required and copies of draft agreements to be offered to affected landowners, where the need for an easement arises (Agreements are located in Exhibit F, Tab 1 and Schedules 4 and 5). A redacted land list in Exhibit F, Tab 1, Schedule 6 describing the parcels is included and filed as a hardcopy in accordance to OEB's rules on confidentiality.
13. Imperial is a non-rate regulated private enterprise and the Project is financed by Imperial. There are no cost impacts on ratepayers. Therefore, disclosure of project costs and an economic feasibility assessment are not applicable. No exhibit supporting information is required relating to project costs and economic feasibility assessment.
14. Imperial requests that this Application proceed by way of a written hearing in English.
15. Imperial requests that the OEB make the following orders:
 - (1) an order pursuant to section 90 of the *Ontario Energy Board Act* granting Leave to Construct the pipeline; and
 - (2) an order pursuant to section 97 of the *Ontario Energy Board Act* approving the proposed form of easement agreements found in Exhibit F, Tab 1, Schedules 4 and 5.
16. Imperial requests that copies of all documents filed with the Board in connection with this proceeding be provided to Imperial's regulatory lead and legal counsel as follows:

EXHIBIT C AFFIDAVIT OF SEARCH OF TITLE

AFFIDAVIT OF SEARCH OF TITLE

I, Jeffrey Jew, of the City of Toronto, make oath and say as follows:

1. I am in the employ of CanACRE Ltd., a consultant retained by Imperial, and as such have knowledge of the matters hereinafter deposed to.
2. I was informed by UPI Inc., the general contractor of Imperial for the project, of the properties through/upon which the proposed pipeline and facilities would be located. Accordingly, I conducted a search of title to these properties, which concluded on February 19, 2019.
3. As a result of my searches of title, and upon receiving advice from Osler, Hoskin & Harcourt LLP, counsel to Imperial, I determined the current registered property owners and encumbrancers with lands or interest in the lands, which would be directly affected by the proposed pipeline and related facilities. Attached and marked as Schedule A is a list of all such owners and encumbrancers.

SWORN BEFORE ME at the City of Toronto,

After printing this label:

CONSIGNEE COPY - PLEASE PLACE IN FRONT OF POUCH
1. Fold the printed page along the horizontal line.

2. Place label in shipping pouch and affix it to your shipment.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

DEFINITIONS: On this Air Waybill, "we", "our", "us" and "FedEx" refer to Federal Express Canada Ltd., its principals, subsidiaries, branches and affiliates and their respective employees, agents and independent contractors. The terms "you" and "your" include the shipper, sender, recipient/consignee, and their respective employees, principals, agents and independent contractors. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. ROAD TRANSPORT NOTICE: Any carriage of your shipment by road may be subject to Federal and Provincial laws, regulations, orders or requirements which may govern and serve to limit our liability for damage, loss, delay, shortage, mis-delivery, non-delivery, mis-information or failure to provide information in connection with your shipment. LIMITATION OF LIABILITY: If not governed by Federal or Provincial laws, regulations, orders, or requirements as described above, FedEx's maximum liability for damage, loss, delay, shortage, mis-delivery, non-delivery, mis-information or failure to provide information in connection with your shipment, even if caused by our negligence or gross negligence, is limited by this Agreement to the amount of actual damages or CDN \$100 per shipment, whichever is less, unless you declare in advance a higher value for carriage as described below, and pay any applicable supplementary charge. FedEx does not provide cargo liability or at-risk insurance, but you may pay an additional charge for each additional CDN \$100 of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. DECLARED VALUE LIMITS: Shipments containing items of extraordinary value are limited to a maximum declared value for carriage of CDN \$500. The maximum declared value we allow for carriage per air waybill for each FedEx® Letter or FedEx® Pak is CDN \$100. Please check the current Worldwide Service Guide and any applicable tariff for further explanation of the declared value limits. If you send more than one package on this Air Waybill, the declared value for carriage of each package will be determined by dividing the total value for carriage by the number of packages in the shipment. LIABILITIES NOT ASSUMED: IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL, IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to, incorrect declaration of the shipment, improper or insufficient packing, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment. FedEx won't be liable for damage, loss, delay, shortage, mis-delivery, non-delivery, mis-information or failure to provide information in connection with shipments of cash, currency, or other prohibited items. Also, FedEx won't be liable if you or the recipient violate any of the terms of this Agreement. FedEx cannot control, including but not limited to, acts of God, pests of the air, weather conditions, acts of public enemies, war, strikes, civil commotions, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. You should contact an insurance agent or broker if insurance coverage is desired. FedEx does not provide insurance coverage of any kind. NO WARRANTIES. We make no warranties, express or implied, CLAIM FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR CURRENT WORLDWIDE SERVICE GUIDE AND ANY APPLICABLE TARIFF FOR DETAILS. We must receive your written notice of a claim for damage or delay, including perishable and spoilage damage claims due to late or delayed delivery, within 21 days after we deliver your shipment and in the case of loss, shortage, mis-delivery, non-delivery, mis-information or failure to provide information, within 90 days after we accept the shipment for carriage. The right to claim damages against us shall be extinguished unless an action is brought within two years from the date of delivery of the shipment or from the date on which the shipment should have been delivered or from the date on which all transportation charges have been paid. The claim amount may not be deducted from these charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for the recipient to file a claim, the contents, original shipping carton and packing must be made available to us for inspection at the delivery location and you must retain all such items until the claim is concluded. RESPONSIBILITY FOR PAYMENT: Even if you give us different payment instructions, you, the shipper, will always be primarily responsible for all charges, including transportation charges, and all duties, assessments, governmental penalties and fines, taxes, and FedEx's legal fees and costs related to shipments tendered under this Agreement. You also will be responsible for any costs FedEx may incur in relating your shipment to you or warehousing them pending disposition. MANDATORY LAW. Insofar as any provisions contained or referred to in this Agreement may be contrary to any applicable laws, governmental regulations, orders or requirements, such other provisions shall remain in effect as a part of this Agreement to the extent that they are not overridden. The invalidity or unenforceability of any provisions of this Agreement shall not affect any other part hereof. The parties expressly agree that this Agreement be drawn up in the English language. LIMITATION OF LIABILITY. If not governed by Federal or Provincial laws, regulations, orders, or requirements as described above, FedEx's maximum liability for damage, loss, delay, shortage, mis-delivery, non-delivery, misinformation or failure to provide information in connection with your shipment, even if caused by our negligence or gross negligence, is limited by this Agreement to the amount of actual damages or CDN \$100 per shipment, whichever is less, unless you declare in advance a higher value for carriage as described below, and pay any applicable supplementary charge. FEDEX WON'T BE LIABLE FOR YOUR ACTS OR OMISSIONS, INCLUDING BUT NOT LIMITED TO, INCORRECT declaration of the shipment, improper or insufficient packing, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment. FEDEX won't be liable for damage, loss, delay, shortage, mis-delivery, non-delivery, misinformation or failure to provide information in connection with your shipment caused by events FedEx cannot control, including but not limited to, acts of God, acts of war, acts of terrorism, acts of public enemies, acts of public enemies, war, strikes, civil commotions, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. FEDEX WILL ASSUME THE LIABILITY FOR LOSS, DAMAGE OR DELAY OF YOUR SHIPMENT ONLY IF WE DELIVER YOUR SHIPMENT AND YOU HAVE NOTIFIED US OF YOUR CLAIM FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR CURRENT WORLDWIDE SERVICE GUIDE AND ANY APPLICABLE TARIFF FOR DETAILS. We must receive your written notice of a claim for damage or delay, including perishable and spoilage damage claims due to late or delayed delivery, within 21 days after we deliver your shipment and in the case of loss, shortage, mis-delivery, non-delivery, misinformation or failure to provide information, within 90 days after we accept the shipment for carriage. The maximum declared value we allow for carriage per Air Waybill for FedEX Pak is CDN \$100. Please check the current Worldwide Service Guide and any applicable tariff for further explanation of the declared value limits. If you send more than one package on this Air Waybill, the declared value for carriage of each package will be determined by dividing the total declared value for carriage by the number of packages in the shipment. **LIABILITIES NOT ASSUMED IN ANY EVENT:** FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL, IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF YOU HAVE LOWERED THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to, incorrect declaration of the shipment, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment. FedEx won't be liable for damage, loss, delay, shortage, mis-delivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items. Also, FedEx won't be liable if you or the recipient violate any of the terms of this Agreement. FedEx won't be liable for loss, damage, delay, shortage, mis-delivery, nondelivery, misinformation or failure to provide information in connection with your shipment caused by events FedEx cannot control, including but not limited to, acts of God, pests of the air, weather conditions, acts of public enemies, war, strikes, civil commotions, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. You should contact an insurance agent or broker if insurance coverage is desired. We do not provide insurance coverage of any kind. **NO WARRANTIES.** We make no warranties, express or implied. **CLAIM FOR LOSS, DAMAGE OR DELAY.** ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR CURRENT WORLDWIDE SERVICE GUIDE AND ANY APPLICABLE TARIFF FOR DETAILS. We must receive your written notice of a claim for damage or failure to provide perishable goods information, within 90 days after we accept the shipment for carriage. The right to claim damages against us shall be extinguished unless an action is brought within two years from the date of delivery of the shipment or from the date on which we accept the shipment for carriage. Within 90 days after we deliver your shipment and in the case of loss, shortage, mis-delivery, nondelivery, misinformation or failure to provide perishable goods information, within 90 days after we accept the shipment for carriage. The right to claim damages against us shall be extinguished unless an action is brought within two years from the date of delivery of the shipment or from the date on which we accept the shipment for carriage. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from these charges. If the recipient accepts the shipment without noting any damage on the delivery receipt, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, packing, and shipping labels must be made available to us for inspection at the delivery location and you must retain all such items until the claim is concluded. **RESPONSIBILITY FOR PAYMENT.** Even if you give us different payment instructions, you, the shipper, will always be primarily responsible for all charges, including transportation charges, and all duties, assessments, governmental penalties and fines, and FedEx's legal fees and costs related to shipments tendered under this Agreement. You also will be responsible for any costs FedEx may incur in returning your shipments to you or warehousing them pending disposition. **MANDATORY LAWS.** Insofar as any provisions contained or referred to in this Agreement may be contrary to any applicable laws, government regulations, orders or warrants, such other provisions shall remain in effect as a part of this Agreement to the extent that they are not overridden. The invalidity or unenforceability of any provisions of this Agreement shall not affect any other part thereof. CONDITIONS OF CARRIAGE

IMPORTANT - PLEASE READ: The consignor agrees that the act of tendering the shipment to the carrier for transportation shall be sufficient to constitute signature of this bill of lading by the consignor and shall bind the consignor to the conditions of carriage stated below.

RECEIPT Carrier acknowledges receiving from the shipper, at the point of origin and on the date specified, the shipment described in this bill of lading in apparent good order, except as noted (contents and conditions of contents of shipment unknown), and agrees to carry and deliver the shipment to the receiver at the destination set out in this bill of lading, subject to payment of all lawful charges. "Carrier" refers to Purolator Inc. and any connecting and/or successive carriers involved in the transportation of the shipment herein described, including any of their respective subsidiaries, controlled entities, and their respective employees, agents and independent contractors.

LIMITATION ON LIABILITY Carrier's liability in respect of the shipment described in this bill of lading (including for any loss, damage, delay, misdelivery, non-delivery or failure to deliver) is limited to \$2.00 per pound (\$4.41 per kilogram) computed on the total weight of the shipment, unless a higher value is declared in the specially marked Purolator Online Shipping user entry field, "Declared Value for Insurance (\$)". Notwithstanding any disclosure of the nature or value of the goods carried or any special agreement to the contrary, carrier is not liable under any circumstances for the consequences of delay, or for any indirect or consequential damages (including lost profits) howsoever caused.

NOTICE OF CLAIM Carrier is not liable for any loss, damage or delay to any goods carried under this bill of lading unless notice of the claim setting out particulars of the origin, destination and date of shipment of the goods and the estimated amount claimed in respect of such loss, damage or delay is given in writing to the carrier within sixty (60) days after the delivery of the goods, or, in the case of failure to make delivery, within nine (9) months from the date of shipment. Subject to any overriding statutory provisions, the final statement of the claim must be filed within nine (9) months from the date of shipment, together with a copy of the paid freight bill. If the Convention applies, other notice periods may govern. No claim will be entertained until all transportation charges due in connection with this bill of lading have been paid in full. All claims are subject to proof of amount of loss.

TERMS INCORPORATED BY REFERENCE Every service to be performed under this bill of lading is subject to the conditions of carriage contained in this bill of lading, including the terms and conditions contained in Purolator Inc.'s published terms and conditions of carriage and the terms and conditions prescribed by the law of the jurisdiction where the goods originate (including the uniform conditions of carriage thereunder, if any). If the carriage involves an ultimate destination or a stop in a country other than the country of departure, the Convention (as defined below) may apply and limit the liability of the carrier in respect of loss of, damage to or delay of cargo. "Convention" means the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Warsaw, Poland, 12 October, 1929, or the Convention for the Unification of Certain Rules for International Carriage by Air, signed at Montreal, Canada, 28 May, 1999, or those Conventions as amended or supplemented as may be applicable to the carriage hereunder.

MISCELLANEOUS Unless otherwise indicated, the consignor's name and address is the sender's name and address indicated on this bill of lading, and the latter is the place of execution and the place of departure; the consignee's name and address is the receiver's name and address indicated on this bill of lading, and the latter is the place of destination; and the date indicated on this bill of lading is the date of execution. There are no specific stopping places which are agreed to, and the carrier reserves the right to select the route and the mode of transportation that the carrier deems appropriate. The consignor warrants that the shipment is properly described on this bill of lading and on any accompanying documentation, and that the shipment is properly marked, addressed and packed to ensure safe transportation in accordance with the carrier's ordinary care in handling. Unless otherwise indicated on this bill of lading, the consignor waives its right to determine the volume or dimensions of the shipment, and to indicate same on this bill of lading. The consignor appoints the carrier as its agent for the performance of customs clearance and selecting a customs broker.

ENTIRE AGREEMENT The terms and conditions contained in this bill of lading, including those incorporated herein by reference, constitute the entire agreement relating to the carriage of the shipment described in this bill of lading, and no agent, servant or representative of the carrier or consignor has the authority to alter, waive or otherwise modify any provision of this agreement. In tendering the shipment described herein for carriage, the consignor agrees to these terms and conditions on his own behalf and on behalf of the consignee and any other party claiming an interest in this shipment.
