DESCRIPTION OF PLOTS IN APPENDIX F

Each page that follows provides three plots of average customer daily summer load profiles. Each page contains three plots:

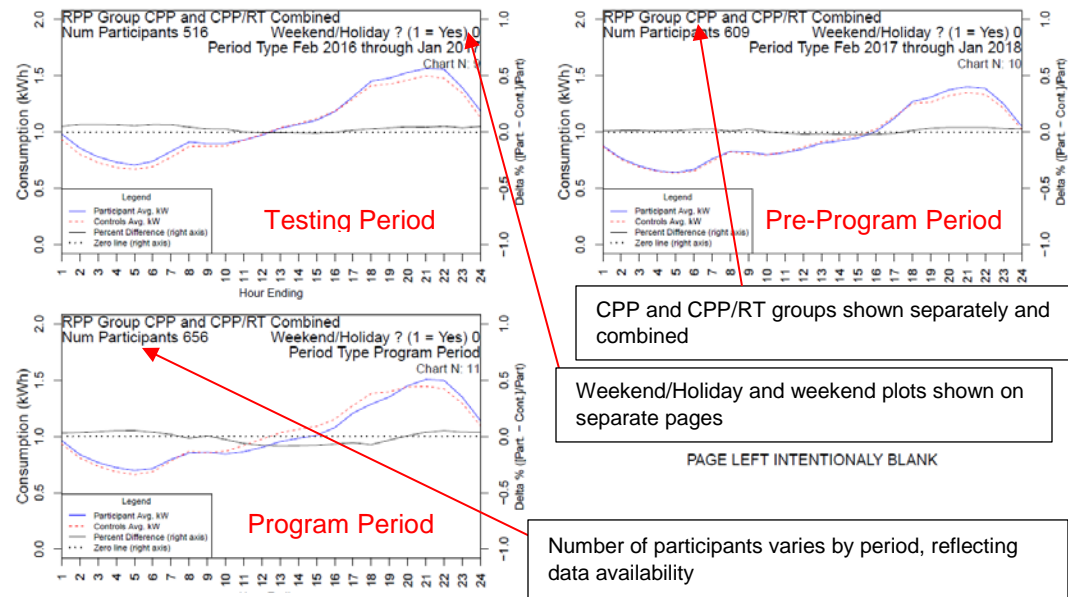

- Testing period load profiles (May 1 through October 31, 2016)
- Pre-program period load profiles (May 1 through October 31, 2017)
- Program period load profiles (May 1 through October 31, 2018)

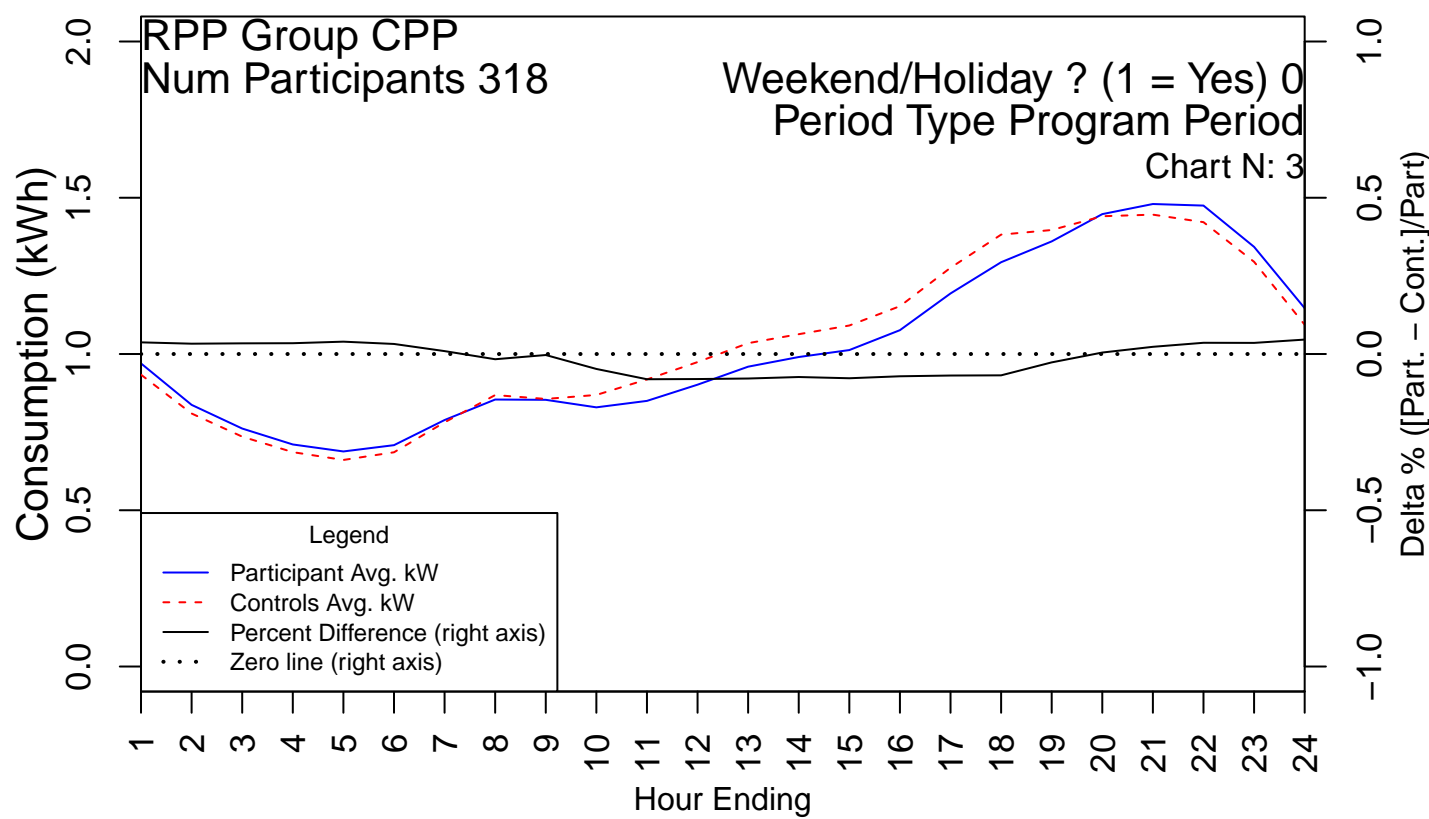

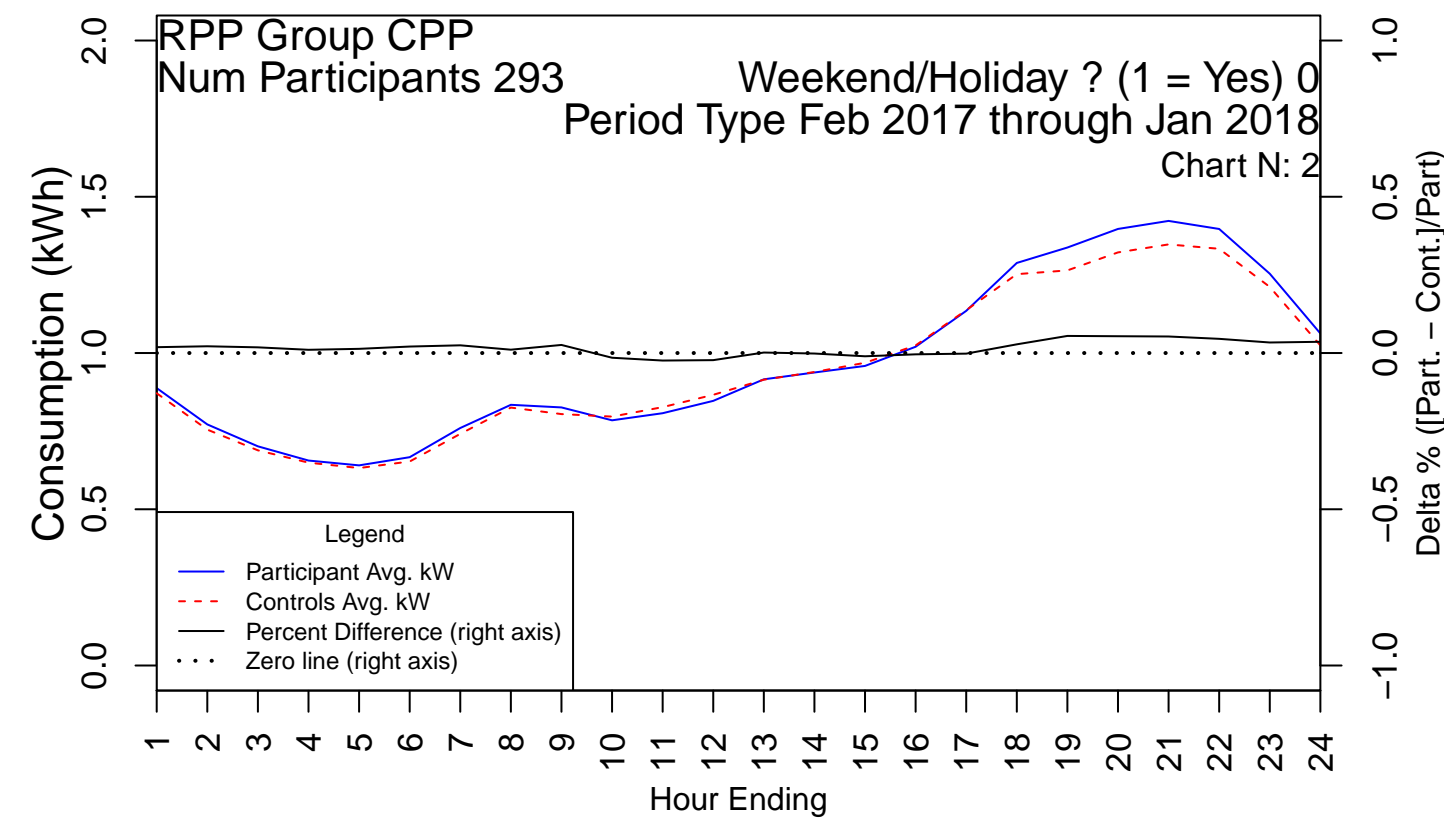

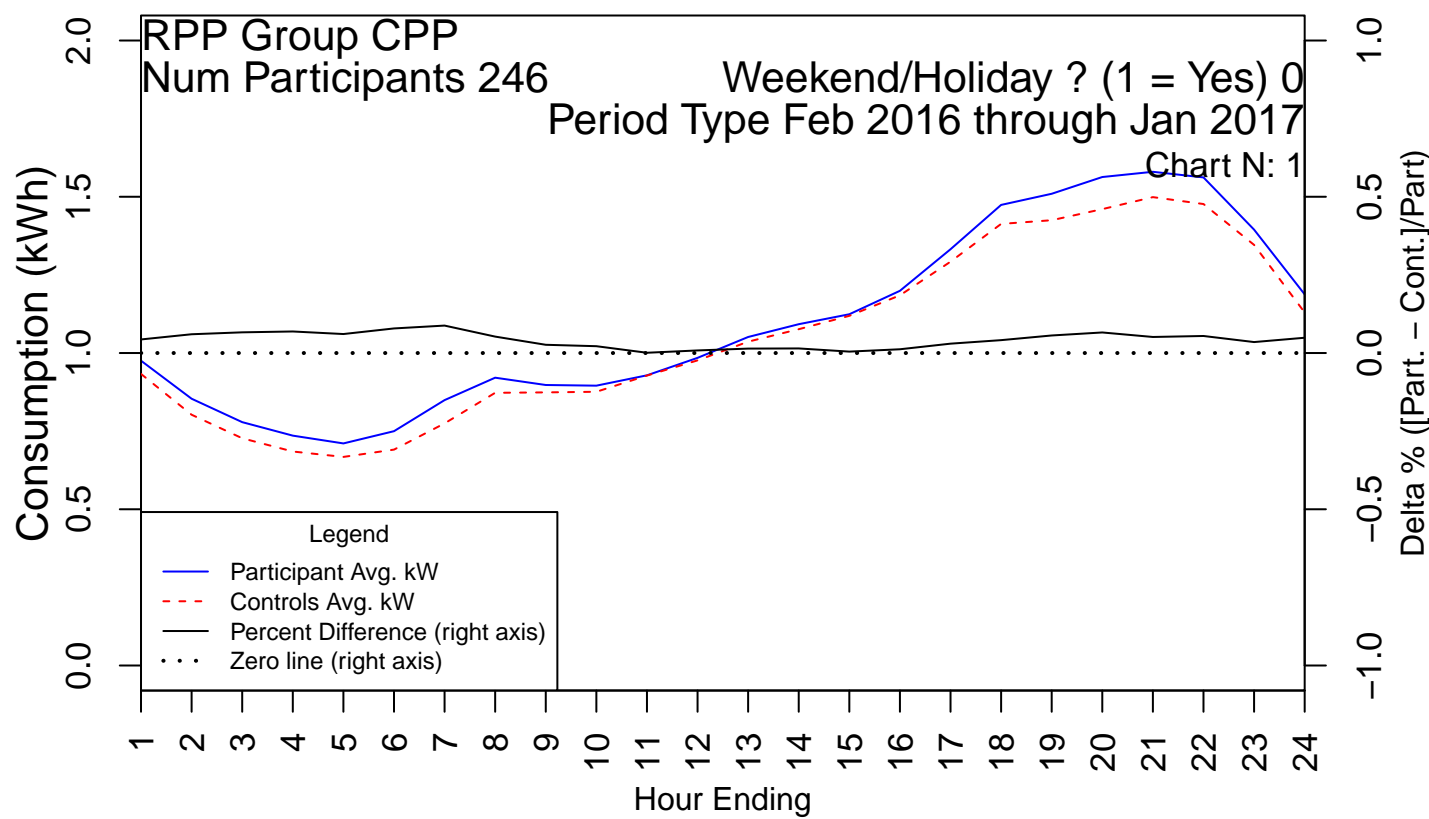

Each plot shows two series plotted on the left-hand axis:

- Participant load
- RCT control group load

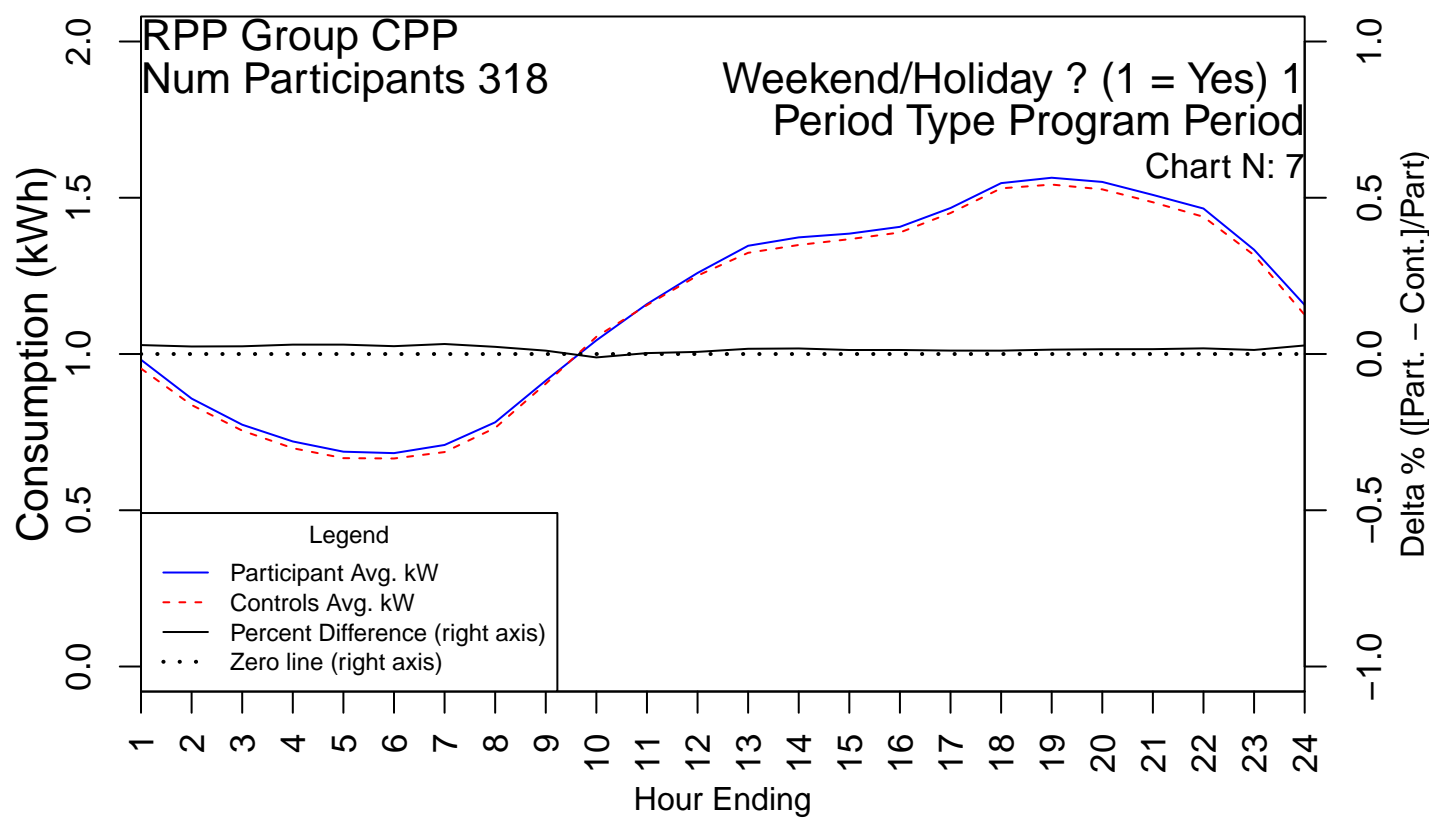

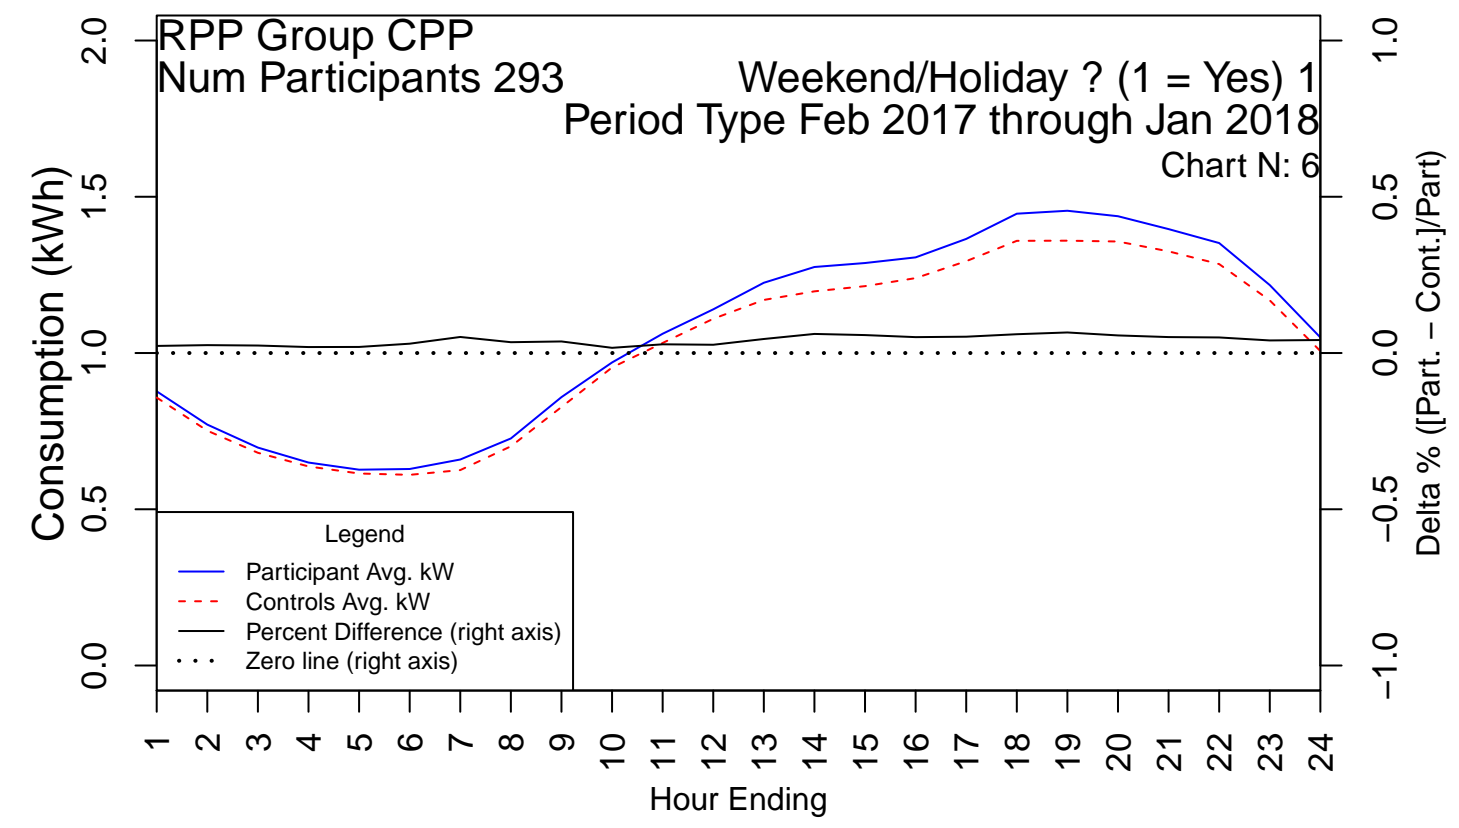

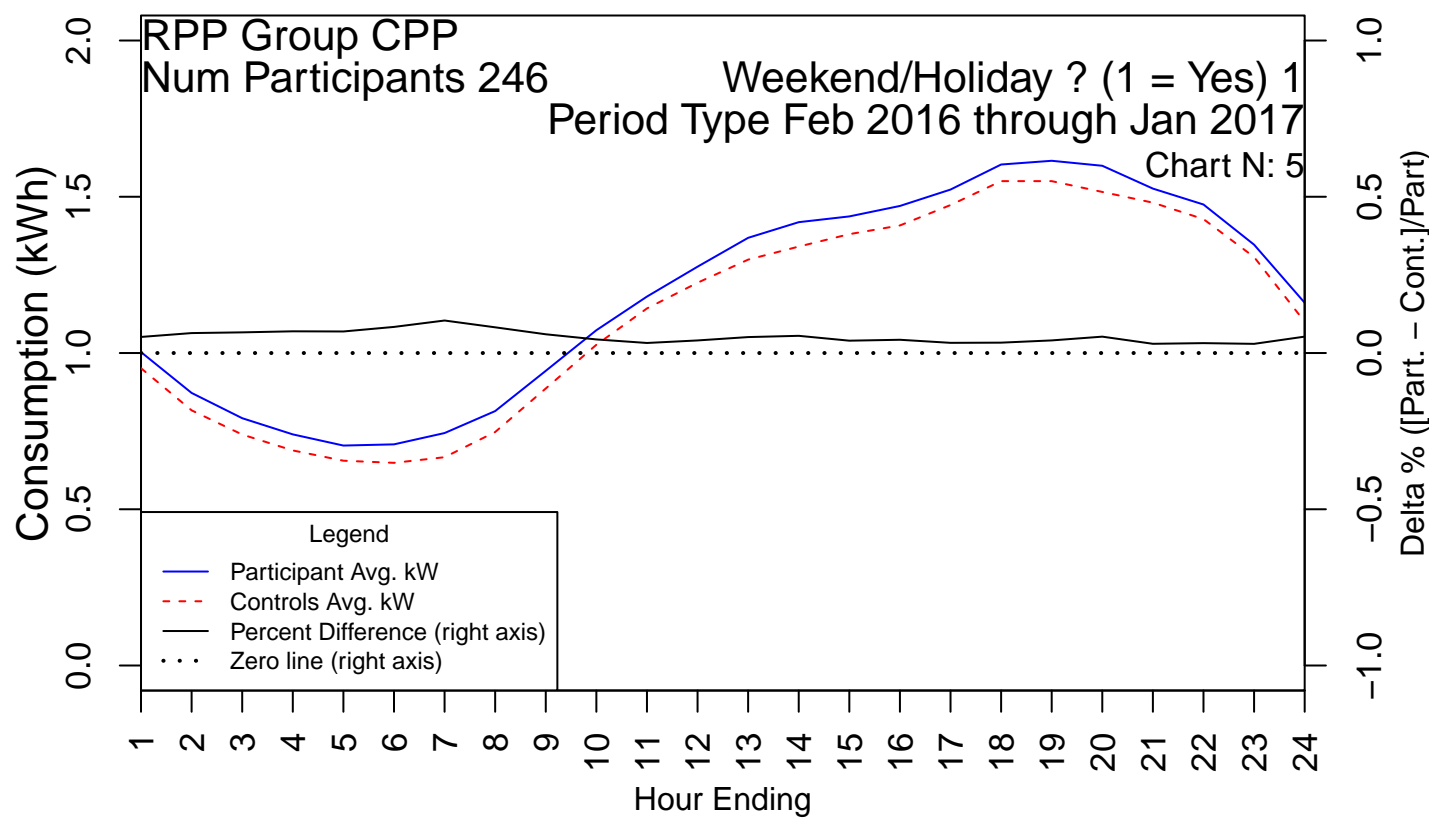

Each plot also shows two series plotted on the right-hand axis:

- Difference between participant and control loads
- A zero-line
