

Approved RPP Pilot Structures and Prices
As amended May 30, 2019 and effective June 1, 2019

Set out below are the structure of the Regulated Price Plan (RPP) pricing pilots and associated prices that have been approved for implementation by the Ontario Energy Board (OEB), effective June 1, 2019.

Pricing pilots below follow the price-setting methodology described in [Approved Prices and Structures for Electricity Pricing Pilots](#), initially issued August 24, 2017 and subsequently amended on April 23, 2018 and April 23, 2019.
