Dear Applicant:

**Re: Application for approval to amalgamate Peterborough Distribution Inc. and Peterborough Utilities Services Inc. and sell the amalgamated electricity distribution system to Hydro One Networks Inc.
OEB File Number: EB-2018-0242**

On May 9, 2019, the Ontario Energy Board (OEB) issued Procedural Order No. 3, which made provision for OEB staff and intervenors to request any information and material from Hydro One Networks Inc. (Hydro One) and Peterborough Distribution Inc. through written interrogatories. Complete written responses to the interrogatories were to be filed and served on all parties by June 3, 2019.

Counsel to Hydro One filed a letter with the OEB on May 30, 2019 requesting an extension to the timeline set out in Procedural Order No. 3 for the filing of responses to interrogatories from June 3, 2019 to June 14, 2019. In its letter, counsel to Hydro One cited that the extension was required given the large number of interrogatories received and the substantial amount of work required to respond to them.

The OEB approves the extension request. Hydro One and Peterborough Distribution Inc. are required to file complete written responses to the interrogatories on or before June 14, 2019.

Any questions relating to this letter should be directed to Andrew Bishop at Andrew.Bishop@oeb.ca or at 416-440-8108.

Yours truly,
