Dear Ms. Sparkes:

Re: London Hydro's Regulated Price Plan Pilot (Board File No. EB-2016-0201)

I am writing to advise that the Ontario Energy Board (OEB) has accepted London Hydro's Interim Results Report for its Regulated Price Plan (RPP) pilot project, which corresponds to Milestone 1 in Schedule B of the Contribution Agreement between the Independent Electricity System Operator (IESO) and London Hydro. This Milestone was completed with the submission of London Hydro's final Interim Results Report on May 24, 2019.

I am therefore requesting the IESO to promptly settle payment with London Hydro for the contribution amount associated with Milestone 1, which is \$1,185,500.00. The IESO has assured us that funding of contribution amounts for OEB-approved RPP pilot projects under existing contracts will continue despite the recent revocation of the Minister of Energy's December 16, 2016 Direction to the IESO.

To support our request for payment, the table below includes the information contemplated in the OEB's letter to the IESO dated May 26, 2017, identifying roles and responsibilities of the OEB and the IESO in relation to the implementation and funding of RPP pilot projects.
