**Application for leave to construct the Waterdown to Finch Project in the City of Hamilton, the City of Burlington, the Town of Milton, the Town of Oakville, the City of Mississauga and the City of Toronto.**

**PROCEDURAL ORDER NO. 1  
May 31, 2019**

Imperial Oil Limited (Imperial Oil) applied to the Ontario Energy Board (OEB) under sections 90(1) and 97 of the *Ontario Energy Board Act, 1998* for leave to construct approximately 63 kilometres of pipeline and associated infrastructure to transport refined oil products from its facility in the City of Hamilton to its facility in the City of Toronto and approval of the forms of easement agreement related to the construction of the proposed pipeline.

The OEB issued a Notice of Hearing on April 11, 2019 and directed Imperial Oil to serve the Notice of Hearing on affected parties. In order to give Imperial Oil adequate time to complete service, the OEB held the application in abeyance until service was completed. On May 24, 2019, Imperial Oil filed an affidavit with the OEB confirming service of the Notice of Hearing. The OEB has recommenced processing the application.

Bell Mobility Inc., Canadian Manufacturers and Exporters (CME), City of Mississauga, City of Toronto, City of Hamilton, Enbridge Gas Inc. (Enbridge Gas), Greater Toronto Airports Authority (GTAA), Hydro One Networks Inc. (Hydro One) and jointly Peter and Tim Virtanen applied for intervenor status. CME and Peter and Tim Virtanen also applied for cost eligibility.

Bell Mobility Inc., CME, the City of Mississauga, the City of Toronto, the City of Hamilton, Enbridge Gas, GTAA, Hydro One and Peter and Tim Virtanen are approved as intervenors. The list of parties in this proceeding is attached as Schedule A to this procedural order.

CME and Peter and Tim Virtanen are eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

As individuals who are representing their own interests, Peter and Tim Virtanen are advised to carefully review the *Practice Direction on Cost Awards* for information about the types of costs and disbursements that individuals may claim. For example, while wage or salary losses incurred as a result of participating in an OEB hearing may be claimed, fees are not generally permitted to be claimed by individuals under the OEB's Cost Award Tariff.

Being eligible to apply for recovery of costs is not a guarantee of recovery of any costs claimed. Cost awards are made by way of OEB order at the end of a hearing.

It is necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.

**IT IS THEREFORE ORDERED THAT:**

1. OEB staff and intervenors shall request any information and material from Imperial Oil that is in addition to Imperial Oil's evidence and that is relevant to the hearing by written interrogatories filed with the OEB and delivered to Imperial Oil and the other intervenors by **June 14, 2019**.
2. Imperial Oil shall file with the OEB and deliver to all intervenors complete written responses to all interrogatories by **July 2, 2019**.
3. OEB staff and intervenors may file written submissions with the OEB and serve it on all Imperial Oil and intervenors by **July 12, 2019**.
4. Imperial Oil may file a written reply submission with the OEB and serve it on all intervenors by **July 22, 2019**.

All filings to the Board must quote the file number, EB-2019-0007 and be made electronically in searchable / unrestricted PDF format through the OEB's web portal at <https://pes.ontarioenergyboard.ca/eservice/>. Two paper copies must also be filed. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <https://www.oeb.ca/industry>.
