RE: Energy Retailer Service Charges EB-2015-0304

Dear Ms. Walli

Bluewater Power Distribution Corporation ("Bluewater Power") has reviewed the Decision and Order EB-2015-0304 dated February 14, 2019 in regard to updates to the Energy Retail Service Charges. At this time Bluewater Power will be opting out of the \$2.00 charge for the Notice of Switch letter which was an option outlined in the Decision and Order. Bluewater Power is seeing fewer customers switching to retailer supplied commodity and as such implementing a charge would be a manual process to which the costs would outweigh the benefits.

Should you have any questions, kindly contact me at the number provided below.

Sincerely,

A handwritten signature in blue ink that reads "L. Dugas".
