Dear Ms. Walli:

Re: EPCOR Natural Gas Limited Partnership (“ENGLP”) EB-2018-0336 Application for 2020 to 2024 Rates – Settlement Proposal

Pursuant to Procedural Order No. 1 dated March 22, 2019 in the above noted proceeding, enclosed please find the Settlement Proposal, draft Rate Order and draft Accounting Orders. The Settlement Proposal includes a complete settlement of every issue in this proceeding (including agreement to defer one issue (Issue 2(a)) to a separate phase/proceeding).

ENGLP has prepared draft Accounting Orders for the deferral and variance accounts proposed by the Parties in the Settlement Proposal, and a draft Rate Order with proposed Tariff of Rates and Charges reflecting the Settlement Proposal. These draft orders are included as Appendices in the Settlement Proposal and have been reviewed by the Parties.

Regretfully, EPCOR is unable to present on this Settlement Proposal on June 24, 2019 as tentatively scheduled in Procedural Order No. 1; therefore, the Parties respectfully request the presentation date be rescheduled to the earliest possible date after June 26th.

Please do not hesitate to contact me if you have any questions.

Sincerely,
