Dear Ms. Walli:

**Re: Enbridge Gas Inc. ("Enbridge Gas")  
EB-2018-0319 – Open Bill Access Services**

---

We act as counsel to Enbridge Gas in this matter.

As contemplated by Procedural Order No. 4, the parties participated in a facilitated meeting on June 12<sup>th</sup>. The meeting was constituted as a Settlement Conference, and the parties agreed that it was subject to the OEB's practice direction on settlement conferences.

We write on behalf of the parties to request that the Board permit the Settlement Conference process to continue. The parties request that the Board schedule another facilitated meeting/Settlement Conference to be held during the week of July 22, 2019. That timing will permit information to be shared between the parties in advance of re-convening.

Please contact me should you have any questions.

Yours truly,

AIRD & BERLIS LLP
