Dear Ms.Malone:

**Re: Imperial Oil Limited
Waterdown to Finch Project Application
Ontario Energy Board File Number: EB-2019-0007**

On June 5, 2019, the OEB received a letter from Tim and Peter Virtanen (Virtanens) who are intervenors in the OEB's proceeding on Imperial Oil's Waterdown to Finch Project Application. The Virtanens' letter is attached to this correspondence and posted on the OEB's web site.

As you are aware, Virtanens own a property along the Waterdown to Finch pipeline route. Imperial Oil would need to acquire temporary land rights for a portion of the Virtanens' land for use during construction. In their letter, the Virtanens requested that Imperial Oil answer 7 questions to provide specific information regarding the impacts of construction on their land. The OEB considers these questions to be akin to interrogatories and directs Imperial Oil to respond no later than August 6, 2019, which is the date that the OEB set for interrogatory responses in Procedural Order No. 2.

Please direct any questions relating to this application to the Case Manager, Zora Crnojacki, Project Advisor, at 416-440-8104 or zora.crnojacki@oeb.ca.

Sincerely,

Original signed by

Kirsten Walli
Board Secretary
