Dear Ms. Walli:

**Re: EB-2018-0028 Energy + Inc
Cost Claim of Vulnerable Energy Consumers Coalition (VECC)**

The Vulnerable Energy Consumers Coalition (VECC) is an intervenor in the above-noted proceeding. We are in receipt of the corrected Decision and Order dated June 18, 2019. In that order the Ontario Energy Board (OEB) set the date of July 12, 2019 as the deadline for intervenors to file their cost claims.

We are writing to ask that the Board grant VECC an extension to file its claim. The administrator at the Public Interest Advocacy Centre prepares the VECC cost claims and will be away during this time period and will not be back in the office until July 22, 2019. As well, staff from the consulting office will also be away at this time. Accordingly we would ask that the Board grant VECC until July 23, 2019 to file their costs on the proceeding. We have copied Energy + Inc on this request with the hope that they will consent to this extension.

We appreciate and thank you for your consideration of this matter.

Yours truly,

Counsel for VECC
