Dear Ms. Walli:

Re: EPCOR Natural Gas Limited Partnership (“ENGLP”) EB-2018-0336 Application for 2020 to 2024 Rates – Settlement Proposal – Amended Appendix K and Appendix L to reflect impacts of Ontario Regulation 24/19

Enclosed please find amended Appendix K and Appendix L to the Settlement Proposal submitted on June 10, 2019 in the above noted proceeding.

These amended appendices provide revised draft rate schedules and revised total bill impacts to reflect the inclusion of a one dollar per month charge for each account that the consumer has with the gas distributor pursuant to O.Reg 24/19. This one dollar charge is embedded in the Monthly Fixed Charge and will be remitted by the distributor to the IESO each month.

The revised draft rate schedules and revised total bill impact tables have also been updated to reflect the gas supply charges approved in ENGLP’s most recent QRAM Decision and Interim Rate Order (EB-2019-0162) issued on June 20, 2019. The inclusion of the one dollar charge for O.Reg 24/19 in the Monthly Fixed Charge was also reflected in EB-2019-0162.

The Settlement Proposal filed on June 10, 2019 did not otherwise discuss the O. Reg 24/19 one dollar charge in the issue by issue discussion and associated tables, and EPCOR has not updated the body of the settlement or associated tables to include the impact of these charges.

Please do not hesitate to contact me if you have any questions.

Sincerely,
