Dear Mr. Lawford:

**Re: Energy+ Inc. 2019 Cost of Service Application
Ontario Energy Board File Number: EB-2018-0028
Vulnerable Energy Consumers Coalition (VECC)'s Request for Extension**

In its Decision and Order dated June 13, 2019, the Ontario Energy Board (OEB) established the deadline for intervenors to file cost claims as July 12, 2019. The OEB is in receipt of a request from VECC for an extension to the date for filing its claim to July 23, 2019.

VECC's request for an extension is granted. All intervenors shall file their claims by July 23, 2019.

The OEB considers it necessary to amend paragraphs 4, 5 and 6 of the Decision and Order as follows:

4. Intervenors shall submit their cost claims no later than July 23, 2019.
5. Energy+ shall file with the OEB and forward to intervenors any objections to the claimed costs no later than July 30, 2019.
6. Intervenors shall file with the OEB and forward to Energy+ any responses to any objections for cost claims no later than August 6, 2019.

Yours truly,
