? Has your organization received any government funding (federal, provincial and/or municipal) in the government's previous fiscal year?

☒ Yes ☐ No

Name of Government or Government Agency	Amount (please enter numerical value without a dollar sign)
Ministry of Economic Development, Job Creation and Trade	\$2,500,000.00

Subject Matter

What is the subject-matter of your lobbying activity?

Economic development and trade, Environment, Infrastructure, Research and innovation, Science and technology, Seniors, Transportation,

Lobbying Activity

Tell us about your current lobbying activity. Complete all that apply. You must choose at least one option:

? Legislative proposal **No**

? Bill or resolution **No**

? Regulation **No**

? Policy and/or program **Yes**

Describe your lobbying goal(s) in detail. What are you attempting to influence or accomplish as a result of your communications with Ontario public office holders?

We will be attempting to convince government colleagues of the value of investments in technology development in low carbon smart mobility, for example, technologies allied to electric and hydrogen heavy duty vehicles, including electric buses, hydrogen fuel cell buses, and allied smart (autonomous and connected) vehicle systems. This may be deemed economic development, environmental policy or transportation policy.
