Subject: RE: Notice of Hearing – Alectra Utilities’ 2020 Electricity Distribution Rate Application

Alectra Utilities Company Application No. **EB-2019-0018**

Please be advised that we received the attached email notice of application at 11:57 pm on Wednesday, June 26, 2019

We wish to file a written objection to the rate increase sought by the Applicant Alectra Utilities (former Horizon Utilities) for the Hamilton Area.

We are requesting an extension of the time to file our objections, as we have received this notice forty-eight hours before the Canada Day long weekend, and we would hard pressed to properly prepare and submit our objections.

We are a 72 unit condominium located in Hamilton Ontario, and we would like the opportunity to discuss this course of action with our owners and legal advisors. This rate increase does not affect the ownership but also the Condominiums own budget, which we need to evaluate.

Under the Ontario Condominium Act, 2017 we must give a clear twenty day notice before we can call any meeting of the ownership. In addition there is a necessity for the Board, its management and legal advisors to prepare and mail the Notice of Meetings to each individual owner by regular Canada Post.

Please be advised that this is a formal request by the Board of Directors.

James Wm. R. Abbey
