Dear Ms. Walli:

**Re: EB-2018-0270 - Hydro One Networks Inc. MAAD S86 to Purchase all of the issued and outstanding shares of Orillia Power Distribution Corporation and EB-2018-0242 - Hydro One Networks Inc., 1937680 Ontario Inc., Peterborough Distribution Inc. and Peterborough Utilities Services Inc. - Request for Reschedule**

---

On July 5, 2019 the Ontario Energy Board (the "OEB" ) issued Procedural Order No. 4 for Peterborough and Procedural Order No. 6 for Orillia in the aforementioned proceedings wherein the OEB ordered that a Technical Conference be held on July 29 and July 30, if necessary.

The OEB noted that within the scope of the Technical Conference are questions to the Applicants of both Hydro One - Orillia Power application (EB-2018-0270) and Hydro One - Peterborough Distribution Inc. application (EB-2018-0242) because of similar issues and evidence.

Because of the combined format of the Technical Conference, three applicants potentially will have to coordinate the availability of representatives (internal and external) to appear at the Technical Conference. This letter is to advise that the various applicant representatives responsible for the evidence filed and best able to respond to questions are not available to attend on July 29 and July 30. These representatives would be available the week August 26, 2019 at the earliest. As a result, Hydro One requests that the Technical Conference be rescheduled to dates in that week or later (with the exclusion of the week of September 16<sup>th</sup>).

Sincerely,
