Dear Ms. Walli:

**Re: Enbridge Gas Inc. ("Enbridge Gas")
Ontario Energy Board ("OEB") File: EB-2018-0188
Chatham–Kent Rural Project – Conditions of Approval**

The OEB granted leave to construct of the Chatham-Kent Rural Project in its Decision and Order dated July 11, 2019 subject to the Conditions of Approval attached as Schedule B to the Decision.

Condition 2(b)(i) states that Enbridge Gas must give the OEB notice in writing for the commencement of construction, at least ten days prior to the date construction commences.

Rather than wait to begin construction on July 22, 2019 pursuant to the 10 day notice requirement, in Enbridge Gas's letter dated July 12, 2019, Enbridge Gas requested the ability to begin construction immediately. The intent of the July 12, 2019 letter was to also encompass the requirement of Condition 2(b)(i). Construction will begin no later than July 22, 2019.

Please contact me at 519-436-5334 if you have any questions.

Yours truly,
