**Application for approval to amalgamate Peterborough  
Distribution Inc. and Peterborough Utilities Services Inc.  
and to sell the amalgamated electricity distribution  
system to Hydro One Networks Inc.**

**PROCEDURAL ORDER NO. 5  
July 18, 2019**

Peterborough Distribution Inc. (PDI), Peterborough Utilities Services Inc. (PUSI), Hydro One Networks Inc. (Hydro One) and 1937680 Ontario Inc. (collectively, the Applicants) filed an application on October 12, 2018, under sections 86(1)(c), 86(1)(a), 78, 18, 77(5) and 74 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), requesting approval to amalgamate PDI and PUSI, sell the amalgamated corporation to 1937680 Ontario Inc. (a Hydro One Inc. subsidiary) which would in turn dispose of the distribution system to Hydro One. An amended application was filed on November 1, 2018.

To enable the proposed transaction, the Applicants requested various OEB approvals.

The OEB issued Procedural Order No. 4 on July 5, 2019, which established a schedule for a technical conference for both the Hydro One – PDI (EB-2018-0242) and Hydro One – Orillia Power Distribution Corporation (EB-2018-0270) applications. Following the issuance of Procedural Order No. 4, Hydro One filed a letter with the OEB advising that representatives able to respond to questions at the technical conference scheduled for July 29 and 30, 2019 are not available until the week of August 26, 2019, at the earliest. As a result, Hydro One requested that the technical conference be rescheduled to dates during the week of August 26, 2019 or later (with the exclusion of the week of September 16).

After the filing of the letter from Hydro One, other parties identified constraints in terms of their availability to attend a technical conference at a revised date. The revised technical conference schedule established in this procedural order accounts, as best as possible, for the availability of all parties.

The OEB is cancelling the timelines established in Procedural Order No. 4.

It is necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.
